OVERVIEW

With the Institute of Drug Quality Control in Ho Chi Minh City, Vietnam (IDQC-HCMC) as the 2023 AOAC SEA Annual Conference Co-organizer, we will have a scientific poster session to be held during the **AOAC SEA 2nd Annual Conference (1-2 Aug 2023)** at the **Sheraton Saigon Hotel & Towers** in Ho Chi Minh City, Vietnam.

POSTER SUBMISSION

RESEARCH TOPICS

Works submitted should align with our conference theme on *Facilitating Compliance for Food Safety and Quality in International Trade*. Topics of the conference include various areas of food safety and analytical science such as adulteration, contamination, microbiology, ingredients, bioactive substances, genetic modification and alternative proteins. Studies with relations to toxicity on human health or environment, with implications on trade, are also welcome.

DEADLINE

18 June 2023

SUBMISSION BENEFIT

Accepted poster participants enjoy the early bird discount for conference registration fee.

**2023 AOAC SEA
2nd Annual Conference**

**Poster
Presentation**

2023 AOAC SEA Annual Conference

With the theme of *Facilitating Compliance for Food Safety and Quality in International Trade*, an international line-up of confirmed speakers include:

Keynote speeches:

- *AOAC New Initiatives* (AOAC INTERNATIONAL Representative).
- *Trend and Status of Harmonizing National Standards of Vietnam (TCVN) According to AOAC Methods in the Food Sector* (Dr. Trieu Viet Phuong, Deputy Director of Vietnam Standards and Quality Institute).

Global and local emerging issues:

- *PFAS Development in Regulations and Analytical Challenges* (Dr. Susan Genualdi, US FDA)
- *Heavy Metals Trend towards Zero* (Dr. Kelvin Kubachka, US FDA)
- *Challenges with Total Sugar Analysis* (Dr. Erik Konings, Nestle)
- *Banned Substances in Dietary Supplements* (Mr. Phan Nguyen Truong Thang, IDQC-HCMC)
- *Nitrosamine in Processed Food* (Ms. Nguyen Thi Hong Ngoc, NIFC).
- *Pesticides, Ethylene Oxide, and many more* (Vietnam's Institute of Public Health, IDQC-HCMC, and other international speakers).

Standard development and method harmonization to facilitate compliance:

- *AOAC SMPRs® (Standard Method Performance Requirements) & MLT (Multi-lab Testing).*
- *AOAC & ISO Harmonization in Microbiological Test Methods Validation.*
- *NGS-based Microbial Testing for Probiotics*
- *Status of Adoption of AOAC Methods in ISO 17025 Accredited Laboratories in Vietnam.*

We warmly invite you to register for the conference. Early bird registration ends on **18 Jun 2023**.

For Students

2023 AOAC SEA Student Awards

We offer cash prizes, certificate and formal recognition on AOAC SEA Section Website to encourage and appreciate students' work that helps ensure the safety and integrity of food and other products that directly impact public health through excellence in analytical testing.

- ✓ Works submitted should align with the conference theme.
- ✓ We support **12 Student Travel Awards** and also **3 Best Poster Presentation Awards**.
- ✓ **NEW Deadline: 11 Jun 2023**

For Partners

2023 AOAC SEA Sponsorships

Sponsorship packages provide opportunities for organizations to form partnerships and long-standing relationships with the Association. Extensive networking opportunities will be available throughout the full 2-day program of face-to-face meetings.
